GOVERNOR

Honorable Mary Fallin
Oklahoma State Capitol
2300 N. Lincoln Blvd., Room 212

Dear Governor Fallin:

The Comanche Nation looks forward to consultations and any/all dialogue processes with the State of Oklahoma and the other 38 Native American Nations/Tribes that reside in our great State.

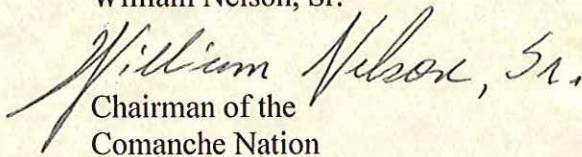

As you know, the current gaming compacts expire at the end of 2019. This time period is only twenty-two (22) months away. Gaming compacts have been a great benefit to the State and Tribal governments over the years. It's crazy to think the first compacts were to save the horse industry and pari-mutuel race tracks. Logic tells us the current compact is dated and is not conducive for current and future business environments of gaming in Oklahoma.

I believe it's time to initiate negotiations to create a new compact document that will move our respective governments forward for years to come.

It's the hope of the Comanche Nation that negotiations can be established and we both collectively come to a mutual agreement that benefits all of our citizens.

Thank you for your governance. I look forward to personally meeting with you soon.
